Dear Laurie,

I wanted to thank you for the service DIGIKIDS provided at the Covenant Heart Institute Family Health Fair this month. We had more than 400 women and 150 children in attendance. We received incredible feedback as to how needed the DIGIKIDS is in our community and how pleased the parents were to have this service available. Every time I looked over, your line was out the door! You all handled the crowd well and made extra effort to accommodate all those who wanted a DIGIKIDS print.

Thank you for everything. We look forward to partnering with you again to offer this amazing service to others in our community.

Sincerely,
