Bradenton, Fl 34204

Dear Mrs. Godfrey,

The *Back to School Extravaganza – Promoting Student Success!* event was wonderful. Over 5000 students with their families, had the opportunity to receive supplies for school, receive information about services in their community, see friends, enjoy food and entertainment, and visit with staff from their schools.

This success was made possible by your participation in the event. Thank you so much for coming to the planning meetings, for working with us during the set up period and for supplying our students and families with valuable information and services.

Thank you again for your participation.

Sincerely,

A handwritten signature in blue ink that reads "Donna Widmeyer". The signature is written in a cursive style.

Donna F. Widmeyer, Ed.D.
Assistant Superintendent for School Support
