Dear Jennifer :

On behalf of the Manatee Family YMCA, I would like to thank you for your outstanding participation in our Healthy Kids Day event. As you are probably aware, Saturday, April 8th was a huge success.

Your willingness to actively participate in Healthy Kids Day allows the YMCA objectives to be reinforced. Healthy Kids Day provides our community with many essential tools to learn how to become healthier and safer for people of all ages, income levels, ethnicities, religions and abilities. Together "We build strong kids, strong families, and strong communities".

I hope you found that the event was a positive experience. Thanks so much for being a part of Healthy Kids Day 2006.
