

YMCA

We build strong kids,
strong families, strong communities.

Dear Jennifer,

On behalf of the Manatee Family YMCA, I would like to express my sincere appreciation for your participation in the ninth annual Healthy Kid's Day and Kid's Triathlon 2006. As you know, Saturday, April 8th was a huge success.

We estimated 500+ participants, 22 exhibitors and vendor representatives, and 55 event volunteers. Your enthusiasm and willingness to actively participate in our community event allows the YMCA's objective to build strong kids, strong families, and strong communities to be realized. Healthy Kid's Day allows the YMCA to showcase our programs and services we provide the children and families in Manatee County. In addition, that same opportunity is given to other United Way agencies, local businesses, physicians, and hospitals.

Please call me if I can be of any assistance to you in the future. We look forward to your participation next April.

Yours in Health

Cheryl McCue
Healthy Kid's Day Coordinator
