To Whom It May Concern:

Please be advised that Digi Kids Child ID program under the ownership of Eduardo Hinojosa has offered to extend their services to students and their families in the Rio Bravo and El Cenizo areas through your assistance of sponsorships. Previously, other district campuses have worked with Digi Kids Child ID program and we have found their work to be of high quality. We understand this is the only company that adheres to the guidelines for the National Center of Missing and Exploited Children.

It is our desire that Digi Kids successfully acquire sponsorships through generous individuals/businesses so that the child identification program can be realized in the United D.D. Hachar, Juarez-Lincoln, and Kennedy-Zapata Elementary Schools.

We hope that you will be able to assist Digi Kids with this endeavor.

Sincerely,
