Dear Dave,

I would like to thank you for bringing DigiKids to our school. Although we are experiencing difficult economic times, parents showed great interest in participating in Digikids. Their child's safety is no doubt of utmost importance.

The Digikids Process was seamless and unveiled with minimal disruption to the school day. Your interaction with parents and staff was positive, professional and thorough. We appreciate your interest in the safety and well being of our students. As always, we are happy to support local businesses who provide the best services to our families. I look forward to working with you again.

Sincerely,
