

DIGIKIDS A Huge Success

To help members prepare for a missing child emergency, volunteers from the membership department recently conducted DIGIKIDS Child ID events. The DIGIKIDS Child ID events are sponsored by Sam's Club. The DIGIKIDS CD is a quick-response solution in which you can quickly print and distribute missing child posters, and immediately broadcast the information to the police, media and others.

PENN STATE CONTINUING EDUCATION

Depend on Us for Training in 2006 Personal—Professional—Corporate

Penn State is both a partner and a resource for individuals, organizations, and companies throughout northeastern Pennsylvania. We offer customized training and credit and noncredit certificate programs designed to meet your needs. Classes can be delivered at your location or ours.

Six Sigma—Green Belt

The program covers the five strategies that can lead to process improvement.

Define: Structured Problem-Solving

Measure: Statistical Problem-Solving I

Analyze: Statistical Problem-Solving II

Improve: Introduction to Experiment Design

Control: Sustaining Improvement

Meets 8:30 a.m.—5:00 p.m., Mondays and Tuesdays, January 9–31, 2006
