DIGIKIDS

Mr. Jentry Poss
8973 Schoenthal Rd.
San Antonio, TX 78266

Dear Mr. Poss:

Thank you very much for working with Braun Station to provide our community with the DIGIKIDS product. Your product offers a service to parents that we hope they never have to use, but if needed is easy and effective. The presentation made to our PTA was simple and effective and had an impact on our parents. I know that the response to this program will grow as more parents hear about the service that you offer.

You were correct when you told me the school day would not be interrupted. Your staff was very organized and less than two minutes was spent with each child. Receiving the product on the same day the money was sent to school I feel will encourage more participation in the future.

Thank you for providing such an important service. I know this is the beginning of a business relationship for our school and the community we serve. I look forward to working with you again next year.

Sincerely,

Jody Fries
Principal
