To Whom It May Concern:

As Principal of Holy Name Catholic School, I am writing this as a letter of recommendation for DIGIKIDS. We used their service in October to photograph our students in grades 3K through the 8th grade. I consider DIGIKIDS to be one of the most comprehensive and well-run organizations that we have utilized over the last three years. DIGIKIDS provides a much needed service to parents for the safety of their children, and they do all of this utilizing very little space. They processed over 60 ID's in about 3 hours, with no reason to return to campus to deliver the finished kits, since they were produced on site. This was done in a professional manner and several parents and school staff volunteers complimented DIGIKIDS for being wonderful to work with.

Please let me know if I may answer any questions you have concerning our experience with this organization.

Sincerely,

Chad Mills
Principal
