To whom it may concern:

This letter of recommendation is being written on behalf of Mr. Gentry Poss. I have had the pleasure of working with Mr. Poss in presenting the Digikids program on our campus. Mr. Poss was willing to meet with our school PTA Board before the program was presented to our parents. He was very flexible and accomodating with our schedule to present the program to our parents.

Mr. Poss provided our school with enough packets, that made our job very easy in placing this information in teacher's boxes. On the day of pictures, he came in early enough to set up his equipment. Mr. Poss had an employee who went to each classroom and picked up those students who were participating in the program. He even allowed an extra day for parents who might have forgotten. I look forward to working with Mr. Poss and his program in the future. If you have any questions or concerns, please feel free to contact me at 397-0650.

Sincerely,

Evelyn Cobarruvias
