Dear Mr. Poss,

Thank you to you and your staff at DIGIKIDS for providing such a valuable service to the parents of Monroe May Elementary. The ladies who came to our school were very professional and were great with the kids.

We have heard positive comments from the parents who participated and I'm sure that once the word gets out to the other parents, the response will be fantastic.

We have enjoyed working with you and we appreciate your support of our school and community.

Sincerely,

Deborah Finch
PTA President
