Dear Mr. Poss:

It gives me great pleasure as principal of Howsman Elementary, to recommend your company, **DIGIKIDS**, as one of the most innovative and professional ways of securing student safety for parents! I have spoken to several parents and staff members who experienced your company when you came to Howsman recently, and you're getting rave reviews! Here are just some of the comments/ words used to describe **DIGIKIDS**:-

**professional *good with kids *child's age doesn't matter *fast *information comes fast and timely (in a matter of minutes) *thorough *friendly
*good to have (identification system) especially during the holidays
*helpful *friendly
pleased with the product and service

As you can see, everyone was been very pleased with the service and the kind and caring way you worked with the students. Such information makes me even more excited about having you continue as a part of the safety net for our Howsman Family. Thanks again and I look forward to working with you in the future.

Sincerely,

Dr. Sharon Small
