Blake--

DIGIKIDS was AWESOME this year. This is my 3rd one and they keep getting better each year. Our traffic was more than DOUBLE of what I expected. My sales volume was significantly higher that day.

I think the word on the streets is that Ashley is the place to go for DIGIKIDS. I hope no one else uses you (sorry). We are taking an aggressive role in our community and it starts with DIGIKIDS.

Again, thanks so much and we will definitely see you next year.
