Dear Ben & Rob

A sincere thank you for being part of our First Annual Children's Safety Fair on September 15th. Your participation in this event attributed to its success and we appreciate it greatly!

Thank you for all of your input and advice as we planned this out not knowing what exactly to expect. It was a pleasure working with both of you and look forward to having you at next year's event.

Thank you for your commitment to the community and for your support as we continue to develop our Heroes' programs.

Sincerely,
