Ms. Barbara Walker
DIGIKIDS®
2201 Long Prairie, Suite 107-116
Flower Mound, Texas 75022

Dear Barbara:

When you first approached me about sponsoring DIGIKIDS® at the greater Lewisville YMCA Healthy Kids day on March 1, 2008 I was very excited about the opportunity. I have always been a strong supporter of YMCA programs and our firm believes in giving back to the local community.

I am extremely pleased to tell you that the entire experience of sponsoring DIGIKIDS® exceeded my expectations. I was very impressed with the quality of the product, your team's professionalism, and the efficiency of the entire process.

The advertising and marketing that you engaged in prior to the event promoting Juncture Financial Group's sponsorship was outstanding. Additionally, at the actual event, your team went out of their way to make sure that parents understood that our firm was making it possible for them to receive the ID kits for free. This provided us with many opportunities to talk with families about the services of our firm. We have already received several calls and have appointments scheduled with individuals we met at the event.

When I assess what we invested in sponsoring the event and the returns that we are already experiencing, I can't think of one other single activity that has been more successful or enjoyable. Thank you for making the sponsorship process extremely easy and for doing such an effective job in promoting Juncture Financial Group.

Sincerely,

John D. Albert, CFP®, ChFC, CLU, CPU, ARM
