Dear Mrs. Walker,

I wanted to let you know how much I enjoyed co-sponsoring the DIGIKIDS event at the Flower Mound Activities Center on Saturday September 20. You and your staff are so professional and do a great job of dealing with both children and their parents. I am also so impressed with the quality of the product you provide that I use it for my own two children. I hope we never need to use the kit in an emergency, but it makes us feel better to know we have it if we need it.

I was happy to help provide this service to so many members of our Flower Mound community. I feel the investment in providing this service was well worth the expense.

I highly recommend your company and look forward to working with you again in the future.

Sincerely,

R. Jeffrey Whittaker MBA CPA CFP PFS
